## **2013 Bridge Deck Flushing Guidelines:**

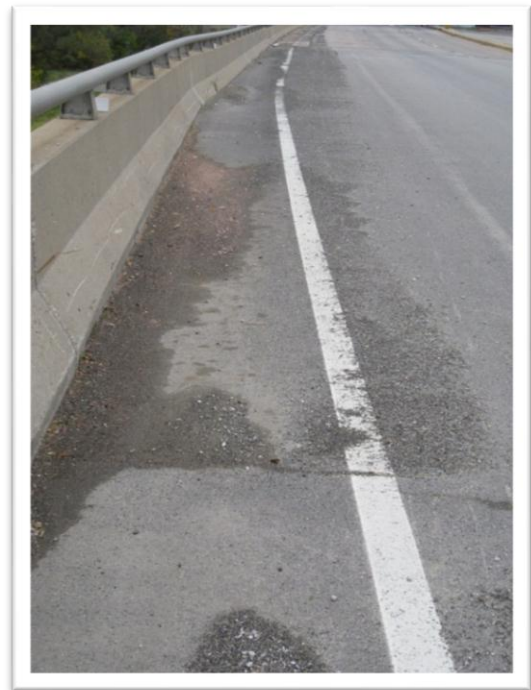

### **Bridge Deck Flushing Guidelines**

Each District has the expectation to flush and clean all of their bridges each spring and fall. The following guidelines will serve as guidance for that expectation. Key areas include Bridge Deck Flushing and Bridge Deck Drains Cleaning.

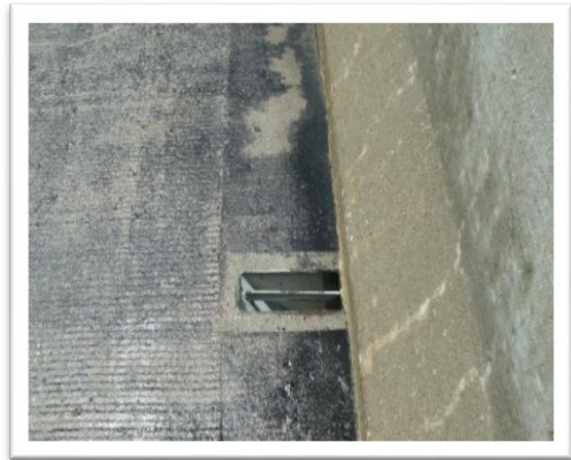

**Bridge Deck Flushing:** Bridge deck is free of debris and sediment. Flushing of the deck also includes the washing of barrier wall or curbing.

Needs work:

**Bridge Deck Drain Cleaning:** Bridge Drains are open and free of clogging:
